

# The Photographers' Formulary 19th Century Workshops in Montana

Summer 2014

Dear Prospective Assistant

Thank you for your interest in the Formulary assistantship program. Some of you showed an interest in last year's workshops so I am also including you in this year's list of potentials. If any of these workshops listed on our web site [www.photoformulary.com](http://www.photoformulary.com) appeals to you please call Lynn 1-800-922-5255 to see if the class is confirmed.

As an assistant you will be on call during the workshop to do whatever needs to be done for the instructor. Helping to keep track of students, and keeping course materials in order, preparing chemistry, keeping track of inventory, cleaning the darkrooms and anything else needing done, making sure that the Classrooms and darkroom are cleaned and straightened on Friday after the classes have ended. In return for your services you will have the benefit of taking the workshop, including the opportunity to photograph and make prints, where applicable. Your compensation will be the opportunity to learn from a master in his field. Your room and board will also be taken care of during your stay. In the event that a workshop must be canceled, that you are scheduled to assist for you will be notified thirty days ahead. Please do not arrive here to pursue your own interests only!!

Please fill out the enclosed questionnaire and return it as soon as possible as positions are currently being filled. I look forward to meeting you in Montana.

Best Regards;  
Lynn Wilson
